“Please, read these instructions carefully”

There are two independent steps that must be completed to obtain a Texas License To Carry A Handgun (LTC). One step is going online to apply with the Department of Public Safety. The other step is taking an LTC class. These steps are independent of each other so it does not matter which is done first.

Following are the instructions for the LTC class. Instructions to apply with the Department of Public Safety are at the end of this paper:

1. **TRAINING LOCATIONS:** Classroom: Lane Real Estate, 2807 Poplar St, Greenville (see map). Park around back and enter in rear door. Shooting qualification will be conducted at the Ammo Depot, (see map).
2. **START TIME: 12:00 Noon**
3. **FEES: There are two fees**

LTC Class Fee, is paid to the instructor as follows:

If you ARE a member of Majors Gun Club: = \$50

If you ARE NOT a member of Majors Gun Club: = \$65

This fee includes all required academic training, and range qualification and range fee as required.

For L3 Employees, you must be a member of the E-Club and Majors Gun Club to receive the discount. If you are a member of the E-Club but not a member of Majors Gun Club, your \$65 fee will include a membership in Majors Gun Club.

State License Fee, The state fee varies. There are discounts for age, veteran status and other conditions. **SEE A COMPLETE STATE LICENSE FEE LIST AT:**
<http://www.txdps.state.tx.us/RSD/CHL/documents/CHLFeeSchedule.pdf>

4. We will not break for lunch so come already fed.
5. We will be on the range at approximately 5:00 PM for the shooting qualification.
6. Students need to bring eye and ear protection. I have limited resources if you need some.
7. **.32** is the minimum caliber with which to qualify. I have 9mm handguns to use if you do not have one. Usage fee is \$10.00.

8. Each student will provide their own ammunition and will shoot 50 rounds of **FULL METAL JACKET** factory ammunition - no reloaded ammunition. Ammunition can be purchased at the Ammo Depot. Leave your handgun and ammunition in your car until instructed otherwise. **IF YOU HAVE MORE THAN ONE MAGAZINE FOR YOUR HANDGUN, BRING IT WITH YOU.**

9. **Liability Waivers:** The attached waivers are for your information only. **DO NOT SIGN THEM AT THIS TIME.** I will provide waivers at the class for you to sign. Review the attached liability waivers. If you do not understand them, you may take them to a lawyer for clarification. L3 employees and family members must sign both waivers. Others must sign only the “RELEASE, WAIVER, INDEMNIFICATION, HOLD HARMLESS, AND ASSUMPTION OF THE RISK AGREEMENT”

10. **Bring a picture ID (driver’s license or government issued ID).** If you are an L3 Employee, bring your E-Club card and Majors Gun Club card if you are a member of either or both.

Academic training will be conducted at
Lane Real Estate Services
2807 Poplar St, Greenville, TX 75401

Note: Do not trust your GPS to get you to Lane Real Estate. Many GPS will misdirect you to the East side of Wesley Street.

Classroom topics

1. Use of Force
2. Non-Violent Dispute Resolution
3. Safe handling of Handguns and Restraint Holsters
4. Safe Storage of Handguns

NOTE: Basic firearm training is NOT provided. You should already have a fundamental working knowledge of topic 3. Topic 3 is provided as refresher material and to establish rules and procedures for safely and successfully completing the range qualification.

At the end of the academic training you will take a 25 question (multiple choice - true/false) test on which you must attain a minimum score of 70 out of a possible 100.

**Range qualification will be conducted at the Ammo Depot, 4725 FM 36 South #2
Caddo Mills, TX 903-527-6120**

You will shoot 50 rounds of factory loaded, full metal jacket ammunition. Neither hollow-point nor reloaded ammunition is permitted. Your handgun ammunition will be inspected. As a safety factor for you and the other students, the final decision as to the use of any particular handgun or ammunition will be at the instructor's discretion.

Bring your **UNLOADED** handgun and magazines to the range either holstered or in a closed case.

The three critical firearm safety rules are:

1. Always keep your firearm pointed in a safe direction (toward the target).
2. Always keep your finger off the trigger until ready to shoot.
3. Always keep your firearm unloaded until ready to shoot.

Violation of safety procedures is cause for disqualification.

You will be shooting at the B27 target. You must attain a score of 175 out of a possible 250 to pass this part of the training. A score sheet and the Range Qualification Course of Fire are on the following pages.

If you do not attain a passing score, you may immediately retake the ENTIRE range qualification course of fire. If after **two** complete qualification attempts you still have not attained a passing score, you will have to return at a later date and repeat the entire range qualification training.

Range Qualification Instructions

Range qualification will begin at the 3 yard line with all handguns in the “safe” condition; for semi-automatics the safe condition is lying down, ejection port up, magazine out and slide locked back; for revolvers, lying down, cylinders open and empty.

For each string of fire you will be instructed as to the number of rounds to load and the string of fire to follow. For semi-automatics, load your magazine and hold it up in your hand so the instructor can see you are ready. Do not put the magazine in the gun until instructed to do so. For revolvers, load the cylinders but do not close. While keeping the revolver pointed downrange, hold up your empty hand.

You will then be commanded to get into the firing position. For semi-automatics, while keeping the muzzle pointed downrange, insert the magazine into your handgun and load a round into the chamber. For revolvers, keeping the muzzle pointed downrange, close the cylinder. Take your normal shooting position and stand fast, pointing your handgun toward the target **WITH YOU FINGER OUTSIDE THE TRIGGER GUARD**. Pointing your handgun in any direction other than downrange is cause for disqualification.

The string of fire will be announced once more and “is the line ready,” will be asked. If you are ready, do not respond. If you are not ready, so state. When all shooters are ready the next command you receive will be “FIRE.”

At the end of the allotted time for each string the command “STOP” will be given. You must immediately stop firing and put your handgun in the “Safe” condition. If you complete the string of fire before time ends, put your gun in the “Safe” condition and stand fast on the firing line.

If you have a malfunction, keep the muzzle pointed toward the target, clear it and continue shooting – time will not stop for you. If you do not fire all of your rounds you will not be given extra time. In a real life situation you won’t get a second chance.

If you cannot clear a malfunction, stand fast, keep the muzzle pointed at the target and hold up one hand. The instructor will assist you.

Notify the instructor if you drop any ammunition, **DO NOT PICK IT UP**.

DO NOT go forward of the firing line.

ANYONE observing an unsafe condition on the range should raise an alert by shouting “STOP, STOP, STOP.” At that point all shooters should stand fast, keep their handguns pointed at the target and await further commands from the instructor.

At the end of the qualification exercise, put your handgun in the “safe” condition and place it back into its carrying case.

The word of the day is, “**safety**.”

Instructions to apply for an LTC online with the Department of Public Safety:

To apply for an LTC with the Department of Public Safety go online to <https://txapps.texas.gov/txapp/txdps/chl/>.

Online you will fill in the application form and three affidavits. You will also pay, by credit card, the state fee for your application. The state fee varies.

Once completed a receipt will be displayed that contains a “trace number” and a bar code. Print that receipt.

After you complete the online application you must go to <http://www.identogo.com/> to make an appointment with Morpho Trust Identity Services to have your fingerprints taken electronically. You can do this before you take my class or after. You must have your receipt above from the online application process in order to schedule with Morpho Trust.

If you have any questions about this procedure please call me before you try it.
